

Colloquium on

Building Effective Cities for Economic Growth

Date: Friday 28th February 2014

Time: 8.30am – 2pm

Venue: Best Western Premier Airport Hotel, Accra

The International Growth Centre (IGC) in partnership with the Institute of Financial and Economic Journalists (IFEJ) is organising this colloquium to bring together policymakers, practitioners, civil society organisations and researchers to brainstorm and identify the crucial issues for research and policy under the theme: building effective cities for growth in Ghana.

All stakeholders are cordially invited to this half-day event. Please call 0208193405 to register for FREE.
